

Minutes of Meeting
Community Development Follow Up
March 9, 2015
1:02 p.m.

The Kootenai County Board of Commissioners met to discuss the following agenda item. Chairman pro tem Green and Commissioner Eberlein were present as well as Community Development Director David Callahan and Deputy Clerk Sandi Gilbertson. Chairman Stewart was excused.

- A. Call to Order:** Chairman pro tem Green called the meeting to order at 1:02 p.m.
- B. Changes to the Agenda:** There were no changes to the agenda.
- C. Old Business:** There was no old business discussed.
- D. New Business:**

Following the posted agenda, Community Development Director David Callahan addressed the following item with the Board:

1. Possible name change for Community Development

Commissioner Eberlein asked why Community Development went by that name rather than Building and Planning. Chairman pro tem Green provided history to the name change from Building and Planning to Community Development which happened approximately in April 2011. He said that former director Scott Clark made the name change to coincide with the department's restructuring at that time.

Mr. Callahan stated that the public has adjusted to the name Community Development. He added that there would be a cost and staff time involved to change forms etc.

After discussion, it was decided that this would be a low priority at this time and the name of the department would remain Community Development.

- E. Public Comment:** There were two people in attendance from the public - David Levine and Alan Littlejohn. Mr. Levine said that while the name may be confusing to some, there are more important issues in Community Development to take care of at this time. Mr. Littlejohn suggested larger signage to be placed identifying Community Development.

There being no further discussion of the agenda item or public comment, Chairman pro tem Green adjourned the meeting at 1:40 p.m.

Respectfully submitted,

JIM BRANNON, CLERK
